EDUCATION

Georgia Institute of Technology

May 2023 – December 2025

Bachelor of Science in Computer Science

GPA: 3.65/4.00

SUMMARY

Experienced Math Tutor and current independent contractor under Stevens Academy specializing in SAT Math. Skilled at simplifying complex mathematical concepts clearly and engagingly in both in-person and online settings. Scored MAX in the math section of SAT on my first attempt, 5 on AP Calculus AB, and 4 on AP Calculus BC.

RELEVANT EXPERIENCE

Steven Academy

December 2025 – Present

SAT Math, AoPS, Algebra II

- Designed and delivered structured lesson plans for AoPS, SAT Math, and Algebra II students
- Improved students' SAT Math scores roughly by an average of 100 points

Knack Tutoring

August 2023 – December 2025

Linear Algebra, Combinatorics, Statistics, Multivariable Calculus

- Design and deliver customized online tutoring sessions for college-level mathematics and computer science
- Maintain strong communication with students to track progress and tailor strategies for improvement

Private Math Tutor

August 2020 – December 2024

AP Calculus BC, AP Precalculus, Geometry

- Tutor high school students in Calculus-based and related math subjects, focusing on conceptual mastery
- Helped students improve SAT scores and ace AP exams through test strategies and focused review sessions

SKILLS

Mathematics Instruction

- AP Calculus AB/BC | Algebra 1 and 2 | Geometry | Precalculus | Statistics | Combinatorics

Teaching and Communication

- Online Tutoring (Zoom, Whiteboard Tools) | Lesson Planning | Concept Simplification | Time Management

Technical

- Java | Python | Microsoft Office | Google Workspace | Bilingual: Korean/English (Both Native Proficiency)

ACADEMIC CREDENTIALS

SAT

- Overall: 1520
- Math: 800

AP

- AP Calculus AB: 5
- AP Calculus BC: 4
